## OLD BUSINESS

60 people attended the nugget hunt last month, only 49 actually hunted, but everyone had a great time (See Pg 3 for pictures)

Only 15 people showed up for the overnight outing

Al contacted the BLM and got permission to take a tractor onto the Griffith Claim to help reclaim and repair the damage that has been done out there.

(Members voted to provide money for fuel to the members that are providing the tractors.)

Al asked the members if we want to keep Griffith or let it go. We will decide at the July Meeting

Members asked if we do let Griffith go, is the club looking for other claims closer to Kingman.

If anyone sees people misusing our claims, we are to take down their license number and let Al know. Do not confront anyone, you never know who you might be talking to.

## NEW BUSINESS

Several members have asked if we give any kind of discount if a member joins halfway through the year. The club used to do that long ago. We will be asking for opinions at the July Meeting.
