Note from the secretary, I would like to say THANK YOU to everyone who called to inquire about my father. Just prior to the meeting I received news from my sister that my father was scheduled for surgery to have a pace maker implanted the following day. It was a difficult evening and a rough April 4th as I felt I needed to be with my family but they live in Massachusetts, and I was trying to celebrate mine and my wife's wedding anniversary. once again THANK YOU dad is doing good.
