The secretary read the minutes from the March 4, 2008 meeting the President Al Adams motioned to approve the minutes as read motion by Lana Herring and second by George Stone. Treasurer Tony Proce read the treasury report, after expenses there is \$6,516.00 in checking account.

The President Al Adams spoke highly of the turn out at the outing, 98 members participated in the metal detecting hunt. The President also thanked David Valenzuela and his family for the awesome job with the cookout. There were plenty of sausages and fixings, the club spent around \$300.00 for the cookout.

Even though the President indicated that the outing was a success there was some complaints brought to the Presidents attention concerning the gold nuggets that were given away as prizes. Some members felt that there should have been more prizes others said that the club should have had more nuggets to give away. Different options were discussed, including the possibility of charging \$5.00 per person to absorb the cost of purchasing more gold nuggets. After many ideas being thrown in to the mix member Richard Minix asked to table the issue to next months meeting motion by Lana Herring and second by George Stone. The issue was tabled to May's meeting.

New business, the President Al Adams explained to the members that during the winter months our winter guests "snow Birds" purchase a lot of raffle tickets and since they will be leaving" during the month of April we

Members asked if the club could hold a Meteorite outing, Jim Smaller will organize an outing sometime in May a sign up sheet was available for those who were interested. Jim Smaller will update us on this outing at a later date.
