AUGUST 2007

OFFICERS FOR 2007

President Mike Medlin 928-715-0910

Vice-President Fritz Clemens 928-692-4288

Secretary Jerry Carreiro 928-757-4193

Treasurer Tony Proce 928-692-1065

Minutes of the meeting held on August 7, 2007.

Meeting called to order at 7 pm followed by the pledge of allegiance

Introduction of new members and guests reading and approval of the minutes from July's meeting treasury report read by the treasurer after expenses there is \$4312.00 in checking account.

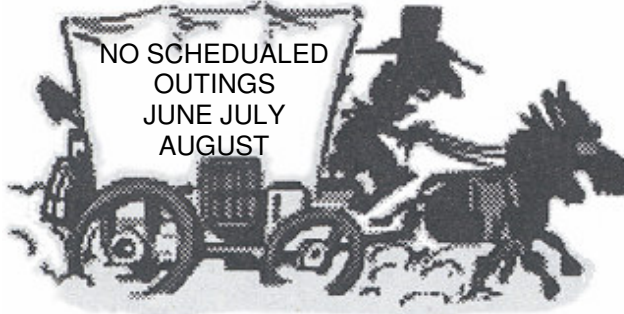

The president made mention that the nugget metal detecting outing at Roy and Retta Atkins place was a great success about 20-22 people were present and that Marvin Jessen from bullhead city and surrounding areas was the winner of the large nugget.

Since there has been a lot of rain recently there will be no outings this month, in the meantime Larry Thompson is trying to locate a ghost town in the White Hills area and a future metal detecting outing will be scheduled in White Hills.

The secretary explained that Mr. Art Rossi from the Las Vegas Club was interested in sharing claims with the MPA the secretary was to take a vote on the issue but more questions were asked concerning the sharing of claims, the secretary would contact Mr. Rossi and report back to the members at a later date.

We had a guest speaker at the meeting Mr. Travis Brown the inventor of the trinity bowl gold pan. Mr. Brown has invented a new bowl called the HEX bowl gold pan it is a 3 in 1 pan six side hex shaped pan with two sides having large riffles two sides

having small riffles and two sides having a rough texture for fine gold,

Mr. Brown went into great detail as to how the pan is produced and the process to create a mold for injection of the plastic resin. It takes about 110 seconds at 450 degrees to produce one pan. The pans are made in Phoenix, AZ. And they are guaranteed for life.

The price of these hex pans are \$14.95 Mr. Brown can be reached at,

During the break Mr. Brown held a demonstration for the members.

HAPPY BIRTHDAY: SUE MEDLIN
