The minutes of the January 8, 2008 meeting were read and approved. Treasury report read by the treasurer after expenses there is \$5627.00 in checking account.

Great news the president has announced that the next 8 meeting we will include a gold nugget in the raffle, I know many of you have been wanting to see a gold nugget on that raffle table, here's your chance to win the nugget.

The president has contacted the owners of the claim on section #10 and he is waiting for their reply, we will pass the information on to you as it becomes available.

The president reviewed the three items the club is willing to purchase for the losing ticket raffle in June. They were a metal detector, dry washer, and a gold nugget all worth between \$300-\$400.00. A vote by the members was taken as to what gift the club would purchase, here are the results. Metal detector 26 votes, dry washer 6 votes, gold nugget 52 votes. The June losing ticket prize will be the gold nugget.

The metal detecting hunt on January 19th was a great success. The president said that 60 people showed up for the hunt, Lana Herring thanked the officers for an outstanding job in organizing the hunt. In the future our outings will include a cookout.

The president has contacted a gentlemen who is willing to prepare a cookout for us during the outing.

Mr. Dwight Suitter was our guest speaker. He asked "how do you find more gold"? His response was to research for gold deposits. Where might you begin your research you ask? Mr. Dwight Suitter made it easy he brought a bundle of "the world's largest treasure book catalog" for all the members; the catalog is full of useful books related to gold and treasure hunting he recommends that you research the internet, and the catalog. The information will help you find locations that have gold deposits.

There will not be a dry washing outing this month because the ground is still to wet. There is a metal detecting outing on February 23, 2008 at the Griffith wash. Everyone interested is to meet at 10:00 am at the Shinarump/Oatman exit # 44. Everyone should meet on the right side in the open area under the freeway next to the east side of the freeway.
