Secretary Jerry Carreiro 928-757-4193

Treasurer Tony Proce 928-692-1065

Minutes of the meeting held on October 2, 2007

Meeting called to order at 7:05 pm followed by the pledge of allegiance reading and approval of the minutes from the September meeting. Treasury report read by the treasurer after expenses there is \$3348.00 in checking account.

Al Adams and the treasurer explained that the club staked a claim at section #10 King Tut area in the beginning of September. It is 160 acres.

The club will not know if the claim will be ours until January. BLM is 6 months behind in their paper work.

As for any maps to this claim many members approached me asking for a map. I'm sorry to inform you that I was not aware of this claim until I heard about it at the meeting just like most of you, yet some of you members knew about it even before I did.

I will put a map together and have it available at the November meeting.

Meanwhile there will be an outing at section #10 on Saturday the 27th.

Take Stockton Hill Road North to Pierce Ferry Road turn right on Pierce Ferry Road and follow to mile marker #32 just after mile marker #32 there will be an MPA sign on your left turn left and follow the signs.

Larry Thompson has located the owner of the White Hills Ghost Town and will meet with him about having a metal detecting outing on his property.

change.

Robert Daugherty is volunteering his time to the fourth graders at Kingman Academy of Learning. He will be showing the kids how to pan for gold as part of their studies in geology.

The club donated 3 bags of concentrate to the kids.

A member has been nominated for president next year; there is still time for anyone else who would like to run, I will be asking everyone at next months meeting so that I can begin printing ballots for elections in December.
