pm followed by the pledge of
allegiance.

Introduction of new members
and guests.

minutes from the August 5,
2008 meeting.

Treasurer's report read by the treas-
urer after expenses there is \$6,368 in
checking account.

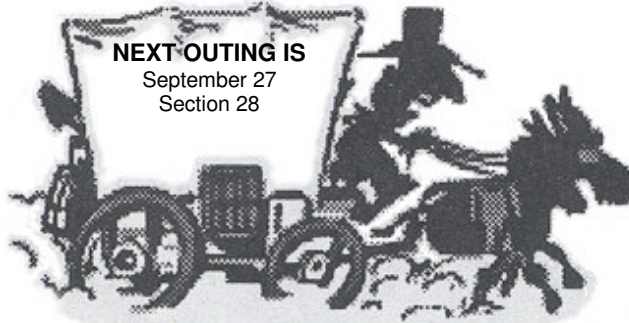

Note all claims have been paid.

Under the guide lines of Roberts
rules and our bylaws it was neces-
sary to make a motion to reintroduce
the issue of elected officers not hav-
ing to pay there dues for the year in
office, there needs to be a 2/3 vote.

The motion passed and I will add an
amendment to the bylaws and copy's
will be made available for members
to update there bylaws.

The hot issue this month was the use
of any and all gas powered devises
to move earth on the claims, after
much discussion between members
and the president and the president
contacting the local BLM office and
the office in Phoenix, in order for gas
powered earth movers to be used the
MPA has to have a "plan of opera-
tion" in place a bond or holding fee
including paperwork must be submit-
ted to BLM. a motion and vote was
taken to allow the president to spend
up to \$800.00 to file all necessary
paper work "bond" with BLM once
this is completed the president will
update the members.

Continued in right hand column->

The president will meet all going
to the outing at the corner of
Pierce Ferry Road and Stockton
Hill Road. At 8:00AM
Don't be late!!!
