Introduction of new member and visitors

OLD BUSINESS

Al talked about the visit that he, Sonny and Tony made to the Nevada Club.

The proposition was made for their club and ours to become sister clubs and the Nevada club would be voting on it and contact Al regarding the clubs decision.

Discussion about having a silver hunt instead of a nugget hunt earlier in the month before it starts to get too hot.

Fritz suggested using metal targets instead of silver dollars do we don't lose any silver out in the desert. The club also voted for charging \$5.00 for the silver hunt to cover the cost of the silver.

The club discussed a campout outing in May and many members wanted one. More details at the next meeting.

NEW BUSINESS

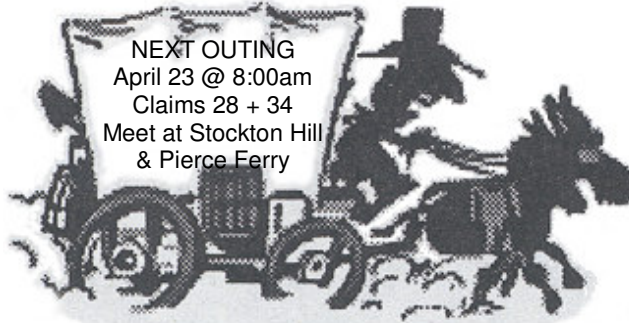

Al received the phone call from the Nevada gold club. Unfortunately, they voted **down** the proposal of becoming sister clubs.

OUTING: Claim 34 & 28 Apr 23
Meet at 8:00am at Stockton Hill and Pearce Ferry Rd *Conditions may be damp for drywashing"

Al talked about a group from Germany who read about our Club on the internet and wanted to visit us to see about what we do. They should be here May 19 & 20 and would like to go looking for gold with the club.

The GPAA Gold Show in Las Vegas is on 04/17/2011 Watch for "Private Property" signs when out on Claim 34

Continued in far right column——>

And watch out when on ANY claim. It's getting warm and the snakes are out and about. (Remember, Rattlesnakes don't *always* rattle before they bite)

Before the raffle, Al auctioned off a 30'X30' camouflage net that was donated by a member. It sold for \$25.00

During the break, Jake demonstrated the new GOLD CUBE. A new machine for retrieving fine gold.. Many members are still on the Unpaid Dues list. We will have a list at next month's meeting.

Many older members' applications have been lost over the years. Bryan is working to try to bring our records up to date. Bear with him.

114 Members in attendance

Sincerely

Bryan Murphy
