## **Letters to the editor**

While we had to miss the meeting Tuesday, I have heard thru the grapevine that the nugget outing is again on Saturday and not Sunday for a change. I thought this was a problem that was taken care of but apparently not. Some just don't get the message that ALL CLUB MEMBERS would like a chance at the nuggets and lunch. As for my wife and I we will no longer support the club by buying tickets etc. until all are treated the same.

(Name withheld by request)

I second that—Ed

and motioned that the club cover their membership in appreciation. Motion passed by membership.

We had a very special evening with Author Chris Enss visiting and talking about her books. She told many interesting and funny stories about people within her books. If you did not get a chance to purchase one

of her books, you can order one from [www.chrisenss.com](http://www.chrisenss.com) and she will sign it (upon request) and send the book to you.

Fritz also thanked John Agnew for his help with meeting sign-ins and door tickets as well as Gerry Davis for food donations. John and Gerry, you are appreciated.

Jim Birdsong is inviting everyone to visit his website at <http://gruntadventures.com>

The next outing will be held February 21<sup>st</sup> at Al's place. Meet at 9:00 a.m. at the corral. Bring your metal detectors, salads, drinks, and chairs, as this will be a detector outing with lunch. The rest of the food will be provided. Take Stockton Hill Rd. to Pierce Ferry and turn Right. At mile marker 32, turn Left and continue to the telephone post.

The meeting concluded with the monthly raffle

Meeting adjourned at 8:49 p.m.

Tabitha Hill Secretary
