## Old Business:

"Old Miners Day" in Chloride is being  
held Saturday, June 27<sup>th</sup>. Club mem-  
ber Terri is asking for your help.  
They would like an exhibit that would  
allow children to pan or something of  
this nature.

They are also looking for help with a  
display of what historical miners have  
found or would have used during  
their prospecting adventures. If you  
have anything that can be used,  
please call Jeanie at 928-565-9777  
as soon as possible.

## New business:

Past President Al Adams addressed  
the issue of non-renewed members.

It is important that members  
pay their renewals, however, if  
you are having trouble paying  
the \$25 renew, see the club  
Executive Board to discuss al-  
ternatives.

We understand that many of  
you have fixed incomes or have  
recently lost your jobs and that  
we need to help out our Mo-  
have Prospector family. A mo-  
tion was put forth to set aside \$250 to  
sponsor a yearly renewal for mem-  
bers in need. The motion was made  
by Dorothy Thompson, second by  
George Stone and was passed by  
the membership.

Al Adams reiterated to the member-  
ship that there is gold all over the  
claims. Run test holes; do not just  
follow someone else's holes.

Members are asking for GPS coordi-  
nates for the claim corners. We will  
work on getting the information.

Due to the heat, there will not be an  
outing until September.

Club members Drew and Micki Vro-  
man now live very close to the claims  
and have extended a welcome to our  
members in need of finding the  
claims or need emergency assis-  
tance. Their address is: 24485 N.  
Hideout Dr. Phone: 928-897-0571

The meeting concluded with the  
"Losing Ticket" and monthly raffles.

Meeting adjourned at 8:23 p.m.

Tabitha Hill Secretary
