Introduction of new member and visitors

OLD BUSINESS

Al reported that even though the Nevada Club voted down the proposal to become sister clubs, half of their club has since joined our club.

Al mentioned the Unpaid Dues" list. If you are behind in your dues, please make sure to get them paid.

NEW BUSINESS:

Al mad a motion for using gold dollars instead of silver rounds at our treasure hunt, an that the total for the treasure hunt would be \$500.00. Members voted "YES"

Remember... June's meeting is the "nugget meeting" remember to keep your losing raffle tickets to have a chance at winning a beautiful nugget at the June meeting.

Al asked if the club wanted either a dry-washer, a metal detector or a nugget for the December meeting.

Members voted for a metal detector.

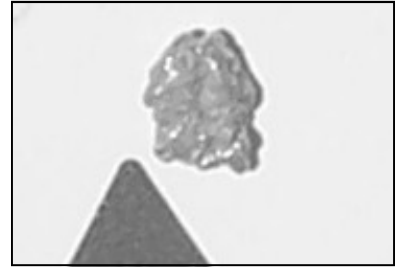

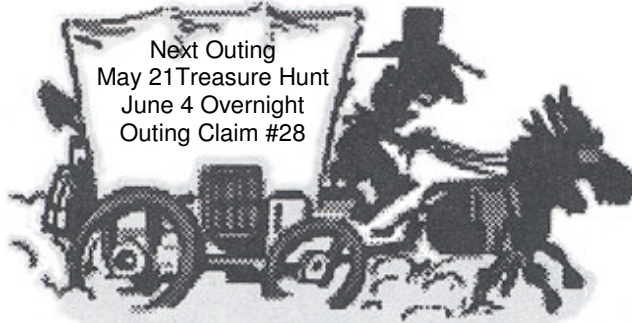

The Griffith claim is being destroyed by non-members. Al will be contacting the BLM to see what we can do about it and inform them that it isn't members who are causing the damage.

Al bought new "Federal Claim" signs to better mark our claims. Hopefully this will deter people from destroying our claims.

Sincerely

Bryan Murphy
