Old Business;  
Discussion on the Oatman Claim- It was decided it was to difficult to reach and then only by a 4 wheeler and that would mean still walking a distance. It didn't look to good as far as gold was concerned. It also could have been marked wrong. Tony Proce mentioned that we have 700 acres and we should explore that before maybe investing in more claims.

Old Business;

Don't forget the your dues are due in December.
