Subject: BLM ROAD CLOSURES  
 AROUND LAKE HAVASU CITY

Without going into a great amount of detail, the BLM plans on closing many, many roads around the city.

They have a few different plans that range from "No Action", meaning no closures, to closing the majority of dirt roads we love to travel.

They are accepting "public comments". Please use the address below and let them hear from you with your opinion of their plans.

Let them know that you don't want ANY CLOSURES. If we agree to even the least amount that they want, they will take more. (The old Inch/Mile concept)

Thanks, Please send your comments to the email below.
